Re: Notice of Ex Parte Presentation, WC Docket No. 10-90

Dear Ms. Dortch:

This is to notify you pursuant to Section 1.1206 of the Commission's Rules that Robert Hance and David Allen from Midwest Energy Cooperative, Albert Ernst from Dykema Gossett PLLC, and Alyssa Clemens and the undersigned from the Utilities Telecom Council (UTC) and its Rural Broadband Council, met with Jonathan Chambers and Nick Alexander from the FCC's Office of Strategic Planning and Policy Analysis on November 19, 2013 in connection with the above-referenced proceeding.

The purpose of the meeting was to discuss how utilities could gain access to support for broadband deployment to unserved and underserved areas through the Connect America Fund (CAF). The substance of the discussions was consistent with the comments of UTC on the record.

If there are any questions concerning this matter, please let me know.

Respectfully,

A handwritten signature in cursive script that reads "Brett Kilbourne".
